EXTRA CLOTHES: From time to time, accidents do happen – whether it’s a surprise mud puddle on the playground, a colorful paint spill, or other... messes. **Therefore, we recommend that all students, regardless of age, have an extra change of clothes.** A gallon-sized Ziploc bag, holding at least an extra pair of socks, pants, and underwear, fits nicely in the bottom of a backpack and can stay there until needed.

COLD/MUDDY WEATHER: Students at Afterschool will be going outside for free play as much as possible, even during the cold weather months. We will follow the school policy as to when it is too cold to go outside, but otherwise we will go out. **It is very important that all children have warm clothes** – hat, gloves/mittens, boots, winter jacket, snow pants, etc. Boots and snow pants are also a good idea during mud season as they help keep kids clean and dry.

Kindergarteners

Starting school is a big change and we want to make afterschool an easy transition. Kindergarteners do not sign up for classes for Session 1 and will get a chance to take classes starting in Session 2. All Kindergarteners will be enrolled in K Club.

K Club: K Club is a laid-back, quiet activity space centered around student choice. Everyday you will spend time playing and exploring outside, have story time, and choice time. We will do small crafts, color, play games, build with LEGOs, or just hang out with your friends. **Teachers:** Ms. Sherry + Ms. Lily

Enjoy scanning the session 1 brochure to see what kind of classes we offer!

ACTIVITY PLACEMENT POLICY

Activity placement generally occurs on a first come, first served basis; however we do take into consideration many other important factors. These include, but are not limited to, child and group dynamics; waiting lists from previous sessions; academic need and prior opportunities to participate in high-demand activities.

CLASS SWITCHING POLICY

Students will be required to attend their classes for the first **two weeks** of the session so that they can get a true idea of what the class is all about. Students will only be allowed to switch on the third week of classes.
