Program Updates

Welcome back! We are so excited to start Session 1 of afterschool activities October 2nd! Attached is a list of activities, descriptions, and a registration form for Session 1 offerings. Please work with your child to choose a first AND second choice for each day they attend after school. We will do our best to try to match them up with those choices. We will continue to do “Free Choice” activities on Fridays. Please reach out if you have any questions!

Forms are due back no later than Sept 28th

Sometimes students end up in a class that just isn't the right fit for them. We ask that all students try the class they are in for the first week. After trying the class we allow for a switch to a different class if space allows. We only do switches during the second week of the session. In an effort to maintain clear and accurate attendance sheets we are asking that kids limit their class switches.
