

Afterschool Updates:

Save the date Nov. 20th for the Afterschool Open House!

- Gear- extra clothes, layers, and winter gear (we go outside every day)
- As the days get shorter, we are asking that adults come into the building to pick up their student(s). Adults are also welcome to visit their student's activity during pickup and join in on the fun!
- We are finding that some students are not enjoying what is provided for supper. We recommend packing an extra snack for those days. Feel free to pick up a supper menu at the afterschool bulletin board.
